EXPERIENCE

CREATIVE FREELANCER • WILLSCREATES

JULY 2021 - PRESENT

- Creative Freelancer specializing in Video Editing, Podcasting, and different styles of Photography.
- Worked with large clients such as ING Bank and smaller clients such as Startblok. Worked with smaller private events and photographed small events.
- Apple Performance Partner.

EDITORIAL INTERN • ING

FEBRUARY 2021 - JULY 2021

- Created a weekly update video which included all the important news that was relevant to NL based employees of ING. Created subtitling in English and in Dutch for the video content.
- Rapidly learnt how to use After Effects to create small animations. Also created new transitions to replace the current ones to make them more accessible for employees who react to visual triggers.
- Edited a monthly series called "Collega Tour" which was about how the ING employees were dealing with working from home during COVID.
- Designed infographics for internal & external use while following the branding guidelines.
- Designed thumbnails, bannerings, and other visual assets.
- Translated documents, videos, and various other content from Dutch to English and corrected translations received from outside Agencies.
- Ended Internship with a 9.0/10.

EVENT STAFF • A MATTER OF TASTE

JUNE 2018 - JANUARY 2019

- Provided high level of service in a variety of events such as weddings, corporate events, conferences, and more.
- Developed a stronger understanding of adaptive problem solving.

HOBBIES
